MINUTES OF MEETING HELD ON THURSDAY 9th SEPTEMBER 2014 AT DILHORNE RECERATION CENTRE

Present: Cllrs. Bateman [Chair], Wright, Horvath, Nightingale

Apologies: Cllr Bowyer

Members of the Public: Malcolm Spooner, Seth Adams

Subject	Description	Action
APOLOGIES	Cllr Bowyer	
PUBLIC QUESTIONS	<p>Malcolm Spooner asked what situation was with regards to the litter bin on the Common Bin – this has been removed and is currently at Cllr Batemans. SMDC would not empty this bin as it had not been purchased from them and that when they monitored the litter situation along The Common last year they saw no need for a bin. Obviously the new bin had been well used, hence the overflowing litter. Clerk had had communication with Cllr Arthur Faulkner on this and he had advised that the bin at the bus stop would be moved to where the new bin had been and that SMDC would empty this on a regular basis. However SMDC seem to have reneged on this and are now saying that they will not move the bin. Clerk to contact D. Cllr Roberts and ask him to intervene and also to recontact D. Cllr Faulkner to ask him to put pressure on SMDC to move the bin. The whole situation has become ridiculous and if not positive action is received in the very near future from SMDC then the press to be contacted.</p> <p>Malcolm Spooner also asked if the light at the entrance to the Royal Oak he mentioned at the last meeting had been reported, Clerk still to contact Western Power.</p>

NEW BUSINESS	Donated Bench – Cllr Bateman reported that a plaque had been organised by the Recreation Centre for the bench, however he was disappointed that the Parish Council had not been consulted on the wording as this had actually been purchased by the Parish Council. It was understood from conversation with Cllr Carnall at the WW1 event that the Recreation Centre would make a donation of £100.00 towards the cost (£399.00)but this is still the be received. It was unanimously agreed that a letter should be sent to the Recreation Centre on this saying how disappoint we were that we were not consulted on the wording prior to the plaque being made, as a matter of common courtesy, and also to state that a separate plaque is needed stating who had donated the bench. Luckily the Clerk had not organised a plaque when ordering the bench as at the time she was unsure of whether the Rec Centre were contributing to the cost.
